# Instructions

## Left Page

1. Cut the 2 pieces of patterned Dapper Denim DSP and adhere to each piece of 12" x 12" card stock, approximately 3" from the bottom.
2. Stamp your title on the 2 scraps of Very Vanilla card stock. Adhere the titles to the mats cut from the Lemon Lime Twist patterned DSP with Stampin' Dimensionals. Adhere to the left side horizontal strip, leaving room for the photo mats in between.
3. Take the largest medallion from the Gold Vinyl stickers and cut it in half equally. Position along the border strip on the left-hand page, as shown.
4. Take one of the 4½" x 4½" Lemon Lime Twist patterned paper mats and adhere along the top edge of the Dapper Denim patterned border strip, matching top edges, between the title pieces. Take one of the Dapper Denim 4¼" x 4¼" photo mats and place it on top of the Lemon Lime Twist mat that you just adhered, at a slight angle.
5. Take another 4½" x 4½" Lemon Lime Twist patterned paper mat and adhere it to the upper left corner, leaving a space about ¼" from the left edge and top of the Very Vanilla base. Adhere one of the Dapper Denim 4¼" x 4¼" photo mats over the

patterned mat, placing it into the bottom right corner of the mat, matching bottom and edges on the right.

6. Adhere one of the rectangular Dapper Denim photo mats to the page, approximately 1½" from the top and ¼" from the right side of the page. (Horizontal in photo).

### Right Page

1. Using two strips of the Gold vinyl sticker border, adhere along the top edge of the Dapper Denim patterned border strip. (**Note:** you will need to cut one of the sticker strips in half so you can have them connect *behind* your photo mat; lay the uncut sticker down first along the right, then cut the second strip in half: place one half from the left side across, and the other half match up with the strip you placed along the right side. There will be a small gap between the two cut pieces that will be hidden behind the photo mat).
2. Take the remaining rectangular Dapper Denim photo mat and adhere it over the patterned border strip, approximately 1½" from the bottom and 1⅜" from the left side of the page.
3. Adhere one of the remaining Lemon Lime Twist patterned paper squares into the bottom right corner of the page, approximately ¼" from the bottom and right side of the page. Place one of the square Dapper Denim photo mats and adhere it to the upper left corner of the Lemon Lime Twist square, matching top and left side edges.
4. Adhere the remaining Lemon Lime Twist patterned paper square to the top right side of the page, approximately ¾" from the top and right side edges of the page. Using the remaining Dapper Denim square photo mat, adhere it over the Lemon Lime Twist patterned square, at a slight angle, same as you did on the opposite page.

### Layout Finish

1. Using glue dots, randomly adhere the ½" circles you punched from the patterned paper around the layout.
2. Using any of the other assorted Gold Vinyl Stickers, place them randomly in your layout.
3. Using the Lemon Lime Twist ink pad and your choice of images from the Eastern Beauty stamp set, stamp across your layout as desired, also including some of the sentiments, as shown. The design is up to you!
