## Measurements

Card Base: Whisper White thick card stock: 5½" x 8½", scored at 4¼" (side fold card base); Berry Burst: 4" x 5¼", Whisper White 3½" x 4¾"; scrap of copy paper ¾" by 6"

## Instructions

- Take the scrap of copy paper and lay it on the piece of Whisper White, 1½" from the top of the piece, making sure it is perfectly horizontal. If needed, tape down the ends of the copy paper to secure in place. See below:

- Using the Powder Pink ink and the bottom layer of the two rose-shaped sets, stamp along the top and lower edges of the copy paper – this will give you a blank space in which to stamp the sentiment. Be sure to stamp ON the copy paper edges so your images aren't floating in white space.
- Using the Berry Burst ink stamp the flower detail stamps over both sizes of the flowers stamped in the previous step.

- Using the Lemon Lime Twist ink, add leaves and squiggles wherever you like to “fill in” some of the white space around the flowers.
- Using the Stampin’ Write Basic Black marker color in the centers of the flowers.
- Remove the copy paper scrap and stamp the sentiment in Berry Burst ink, centered in the white space you have created between your flower borders.
- Now attach the piece of Berry Burst card stock to the front of the Whisper White card base.
- Using Stampin’ Dimensionals, attach the stamped piece of Whisper White to the layer of Berry Burst card stock.
- Place some Pearls around the card in a manner that is pleasing to you.
