1. Cut, score, and fold the Berry Burst card base.

3. Stamp the sentiment and present images in Berry Burst on the Whisper White card stock.
4. Adhere the stamped piece of Whisper White to the Tempting Turquoise piece, as desired.
5. Using Stampin' Dimensionals, attach the stamped and matted piece to the card base, centered.
6. Take 2 of the bouquets included in the Sweet Soirée embellishment kit and attach to the stamped Whisper White piece on the top and lower right corners. Be sure to only use adhesive on the part of the bouquet that will be on top of each corner.
