## Instructions

1. Place piece of Whisper White Thick cardstock into embossing folder so that the “folded” part of the embossing folder is to your left (so it opens right to left). Run through the Big Shot.
2. Using one each of the Emerald Envy and Whisper White pieces, cut 2 squares with the Stitched Framelits (2 1/4" size).
3. Using the patterned stocking stamp, stamp in Real Red on the other piece of Whisper White (not the die cut piece you just cut).
4. Use the Embossing Buddy on the piece of Basic Black.
5. Stamp the sentiment from Hang Your Stocking on the piece of Basic Black, using VersaMark ink. Sprinkle the embossing powder over the sentiment and set with the Heat Tool.
6. Cut 3 pine branches from the other piece of Emerald Envy using the smallest (about 2") of the three dies in the Pretty Pines set.

7. Die cut the stocking previously stamped in Real Red with the largest of the stocking framelits in the Christmas Stockings set.
8. Using the stitched oval (2¼" size) die cut around the sentiment previously embossed on the Basic Black cardstock.
9. Cut tails into the ends of the ½" piece of Real Red.
10. Use the ⅛" hand punch to punch a hole to the left of the sentiment embossed on the Basic Black stitched oval and thread the Silver Ribbon through it.
11. Using the Archival Basic Black ink and the small spatter stamp from Timeless Textures, randomly stamp around the areas where you want to put the die cut stitched squares from step 2. Random stamp as well on the Whisper White stitched square.
12. Take the berry stamp from Hang Your Stocking and using Real Red ink stamp in a couple of spots on the Whisper White stitched square.
13. Assemble all the stamped and cut pieces in the following order using Fast Fuse:
  - a. Embossed Brick Wall card piece to card base
  - b. Emerald Envy stitched square
  - c. Whisper White stitched square
  - d. Real Red banner
  - e. Scriggle up the Gold Metallic Thread, lay down a spot of Fast Fuse and adhere the thread over the Real Red banner
  - f. Stamped and die cut stocking
  - g. Three pine branches
  - h. Embossed sentiment (use Stampin' Dimensionals to attach)
14. Place 3 Real Red Enamel Shapes and 3 Rhinestone Basic Jewels randomly on the card front.
