Instructions

1. Cut, score, and fold the Whisper White Thick card base.
2. Cut the piece of Year of Cheer Specialty Designer Series Paper and adhere, centered, on card base.
3. On a scrap of Whisper White, stamp the bell and the sentiment in Basic Black.
4. Using the Bunch of Banners framelits die cut the sentiment banner.
5. Use the bell punch and cut out the stamped bell.
6. Using the Smoky Slate Stampin' Write Marker and the Blender Pen, lightly highlight around the inside of the stamped bell.
7. Paint over the stamped bell image with the Wink of Stella, filling in as desired.
8. Attach one of the large Basic Pearls to the center of the bell.
9. Using the smaller of the two pieces of Whisper White, emboss the flourish image twice in mirror image using the VersaMark®.
10. Emboss the flourishes with the Silver Stampin' Emboss Powder and the Heat Tool.
11. Using the Aqua Painter and the Smoky Slate Classic Stampin' Ink, splatter some color randomly over the embossed piece of Whisper White.
12. Punch out the little circle at the top of the bell and tie on the 4" piece of Silver Metallic Thread
13. Attach a glue dot on the back side of the stamped sentiment on each end; loop the (2) 10" pieces of Silver Metallic Thread onto the back of the sentiment by attaching to the glue dots.
14. Assemble the card as follows:
 - a. Attach the embossed Whisper White piece to the slightly larger piece of Whisper White.
 - b. Using Stampin' Dimensionals, attach the embossed (and now matted) piece of Whisper White to the center of the Year of Cheer Specialty Designer Series Paper mounted previously.
 - c. Center the punched bell between the embossed flourishes, using Stampin' Dimensionals.
 - d. Use Stampin' Dimensionals to adhere the banner sentiment just below the embossed flourishes.
 - e. If desired, stamp the sentiment from the Season Like Christmas set inside the finished card.
